The Officers and Directors constitute the Executive Committee.

CONSTITUTION.

ARTICLE. 1. This association shall be called the METHODIST SOCIAL UNION.

ART. 2. The object of this Union shall be to promote social intercourse and the spirit of Christian enterprise among the members of Methodist churches and congregations in Boston and vicinity.

ART. 3. All applications for membership shall be referred to the Executive Committee, who shall report at a subsequent regular meeting of the Union. The applicant may become a member upon receiving a two-thirds vote of the members present and voting and paying the annual assessment.

ART. 4. The assessment of each member other than honorary, shall be five dollars for the calendar year payable in advance. The Executive Committee may, however, levy an extra assessment on special occasions, when, in its judgment, the condition of the Treasury requires it, such extra assessment not to exceed fifty cents per member for any one meeting.

ART. 5. The officers shall consist of a President, two Vice-Presidents, Secretary, and Treasurer, and five Directors, who, together, shall be the Executive Committee of the Union. The officers shall be chosen annually by ballot, and shall serve until their successors are elected.

ART. 6. Thirteen members of the Union shall constitute a quorum for the transaction of business. Five members of the Executive Committee shall constitute a quorum.

ART. 7. The annual meeting for the choice of officers, and the transaction of other necessary business, shall be held on the third Monday of December. Special meetings may be called by the President and Secretary at their discretion, or at the written request of five members.

ART. 8. Members may present, at any meeting of the Union, such educational, philanthropic, or Christian enterprise as in their judgment may properly claim consideration; but no collection or subscription shall be taken for any purpose whatever.

ART. 9. The Secretary shall conduct the correspondence of the Union, keep a faithful record of its doings, and make a full report thereof annually

to the Union, and at such other times as required ; and, as Treasurer, shall collect all admission fees and assessments within one month of the December meeting ; notify all delinquents ; pay such bills as are approved by the Executive Committee ; keep an accurate account of all receipts and expenditures ; and annually report to the Union the condition of the treasury.

ART. 10. The Executive Committee shall control the funds, subject to the direction of the Union. They shall not incur any debts, or disburse any money, except for current expenses, unless authorized by a vote of two-thirds of the members present at a regular monthly meeting. They shall provide for each monthly meeting, either a dinner or collation, and likewise such literary and religious exercises as in their opinion the interests of the association may require.

ART. 11. Members may invite their friends to the meetings by paying such sum as may be specified by the Executive Committee.

ART. 12. This Constitution may be altered or amended at any regular meeting by a vote of two-thirds of those present, notice of the intended change having been given in writing at a previous meeting.

BY-LAW.

ARTICLE I. A regular meeting of the Union shall be held on the third Monday of each month, except the months of June, July and August, at such time and place as may be appointed by the Executive Committee. Said Committee may, however, change the time of such meeting, when any special exigency shall in their judgment make such change desirable.
